NUCLEAR REGULATORY COMMISSION

Before the Atomic Safety and Licensing Board

In the Matter of:

Holtec Palisades, LLC / Palisades Energy, LLC

(Palisades Nuclear Plant – License Amendment Request to Change the License

Condition for NFPA 805 Full Compliance)

Docket No. 50-255-LA-5

License No. DPR-20

From:

Alan Blind, Pro Se Petitioner and Representative for Joint Petitioners

NOTICE OF CORRECTED DATE REFERENCE (Pursuant to 10 C.F.R. § 2.304(d))

Pursuant to 10 C.F.R. § 2.304(d), Joint Petitioners respectfully submit this notice to correct a clerical error contained in their *Supplemental Petition to Intervene*, filed on November 1, 2025, in the above-captioned proceeding.

The Supplemental Petition incorrectly cited the filing date of Holtec's September 30, 2025 submittal as September 23, 2025, identifying it as the License Amendment Request (LAR) replacing the June 24, 2025 Holtec LAR. The correct filing date is September 30, 2025, as documented in Holtec's Palisades Letter PNP-2025-070, titled

“Supplemental Information to License Amendment Request to Change the Full Compliance Implementation Date for the Fire Protection Program Transition License Condition for Required Modifications” (ADAMS Accession No. ML25274A074).

That Holtec September 30, 2025 filing was made publicly available in ADAMS on October 2, 2025, which was correctly stated in Joint Petitioners’ Supplemental Petition and served as the basis for the thirty-day filing requirement under 10 C.F.R. § 2.309(b).

This correction to the Holtec Supplemental LAR filing date is purely clerical and does not alter any substantive statement, contention, or citation in the filing. All docket and ADAMS references remain accurate, and the operative document addressed in the *Supplemental Petition* is unchanged.

Accordingly, **Joint Petitioners** request that the record reflect the corrected reference to:

Holtec Palisades Letter PNP-2025-070, dated September 30, 2025 (publicly released October 2, 2025).

CERTIFICATION UNDER 10 C.F.R. § 2.304(d)

I certify under penalty of perjury that the statements made in this filing are true and correct to the best of my knowledge and belief, that this notice has been prepared in good faith, and that all references to NRC records are to publicly available materials accessible in ADAMS.

Executed in accordance with 10 C.F.R. § 2.304(d) this 6th day of November, 2025.
