Model Delegation of Authority

Memo To: Michelle L. Kritzman, M.S.

From: Mike Terwilliger
Vice President, Facilities/Support Services

Subject: Delegation of Authority

You, Michelle Kritzman, have been appointed Radiation Safety Officer and are responsible for ensuring the safe and secure use of radiation and radioactive material. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations when justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. It is estimated that you will spend a minimum of one day per quarter on site and be available by phone to conduct radiation protection activities.

Mike Terwilliger

Vice President, Facilities/Support Services
