FOIA-2025-000717	Perryman, Skye	Democracy Forward Foundation	Democracy Forward Foundation ("DFF") requests that your agency produce the following within twenty (20) business days: 1. All guidance, policies, memoranda, or directives received by your agency from the Office of Personnel Management ("OPM") regarding probationary employees. Examples of responsive documents include the original April 28, 2025 memo "Initial Guidance on President Trump's Executive Order Strengthening Probationary Periods in the Federal Service" and the August 7, 2025 memo "Updated Guidance on President Trump's Executive Order Strengthening Probationary Periods in the Federal Service." 2. All reports and plans submitted by the head(s) and/or acting head(s) of your department/agency to OPM (at employ@opm.gov or otherwise) to reflect changes suggested by OPM Workforce Policy and Innovation Associate Director Veronica E. Hinton's August 7, 2025 memorandum titled, "Updated Guidance on President Trump's Executive Order Strengthening Probationary Periods in the Federal Service." 3. All guidance, policies, memoranda, or directives created by your agency to comply with any directives received from OPM regarding probationary employees, including but not limited to Veronica E. Hinton's August 7, 2025 memorandum titled, "Updated Guidance on President Trump's Executive Order Strengthening Probationary Periods in the Federal Service." 4. All documents reflecting the appointment of designees responsible, or any other delegation of authority, for evaluating the continued employment of probationary/trial period employees at your agency. To be clear, the documents Democracy Forward Foundation is here seeking include, at least in part, reports on actions already taken and appointments of designees the agency has already made. FOIA-2026-000011	O'Toole Stepan, Jakob	-	I am requesting all records related to the proposed reopening, recommissioning, or resumption of operations at the Duane Arnold Energy Center (DAEC) located near Palo, Iowa (NRC License No. DPR-49). The facility ceased operations in 2020 and is currently owned by NextEra Energy Resources. In 2025, the licensee announced plans, in collaboration with Google LLC, to restart the plant and return it to commercial service by 2029. This request includes, but is not limited to, all records from January 1, 2024 to present concerning: 1. Regulatory filings and licensing actions submitted to or received by the NRC or any state or local agency regarding the DAEC restart, including pre-submittal meetings, license amendments, exemptions, or technical specification revisions. 2. Correspondence, memoranda, or communications between your agency and NextEra Energy Resources, Google LLC, the Iowa Utilities Board, the Iowa Department of Natural Resources, or any federal/state entity related to the potential restart or reuse of the DAEC facility. 3. Engineering assessments, refurbishment plans, or plant condition reports describing upgrades, component replacements (including turbine generator, cooling tower, or transformer systems), or construction activities necessary for recommissioning. 4. Environmental and safety documents, such as Environmental Assessments (EA), Environmental Impact Statements (EIS), radiological surveys, safety analyses, or risk evaluations concerning restart operations. Economic or policy analyses, feasibility studies, or internal evaluations regarding energy supply, grid reliability, carbon-free generation goals, or the economic impact of reopening DAEC. 5. Agreements, contracts, memoranda of understanding, or purchase power arrangements between NextEra Energy (or subsidiaries) and Google LLC (or affiliates) related to nuclear power generation at the site. 6. Meeting agendas, minutes, presentations, or public comment summaries from any agency-sponsored public meetings, hearings, or consultations about the reopening or relicensing of the DAEC facility. 7. Internal communications among agency officials discussing or	11/12/2025
