MEMORANDUM TO: Chairman Wright
Commissioner Crowell
Commissioner Marzano
Commissioner Nieh

FROM: Russell E. Chazell
Federal Advisory Committee Management Officer

SUBJECT: RENEWAL OF ADVISORY COMMITTEE ON THE MEDICAL
USES OF ISOTOPES (ACMUI) CHARTER

The Federal Advisory Committee Act (FACA) requires that advisory committee charters be renewed every 2 years. The current ACMUI Charter expires on **February 28, 2026**. The attached charter updates the current charter to revise, in Section 7, the current FTE and cost estimates for the next 2 years as recommended by the staff and to make other changes recommended by the General Services Administration Committee Management Secretariat (CMS) for this charter to comport with current CMS charter guidance as well as edits from the OGC review.

Enclosed are redline-strikeout and clean versions of the draft charter. The redline version represents the changes made from the current charter. The charter was last renewed in February of 2024. FACA requires notification of both the U.S. House of Representatives and the U.S. Senate, as well as the Library of Congress. Additionally, a *Federal Register* notice will be issued. These notifications are pro-forma and will occur concurrently with the filing of the renewed charter at CMS on or before February 28, 2026.

Please provide your approval of the charter's renewal.
