Subject: CN 654099 Request for Additional Information

Good morning, Mr. Bishop,

This email is in response to the letter dated October 16, 2025, to amend U.S. Nuclear Regulatory Commission (NRC) Materials License No. 13-19923-01. Upon reviewing your request, the following area was identified and requires additional information:

- 1.) Please clarify if proposed RSO is an outside consultant or in-house representative. If proposed RSO is an outside consultant, the following items will need to be addressed:
 - a. Identify an in-house representative who will serve as the point of contact during the RSO's absence.
 - b. Describe the overall availability of the consultant RSO to respond to questions or operational issues that arise during the conduct of the radiation safety program and related regulatory requirements.

If applicable, please provide the above information for your proposed RSO.

- 2.) Please provide applicable contact information for the proposed RSO, including the following as applicable:
 - office phone number
 - mobile phone number
 - fax number; and
 - e-mail address

Please submit your signed response letter by January 2, 2026. If you need more time or have any questions, please don't hesitate to contact me. As you will not receive a hard copy of this request for additional information, please confirm that you have received this email.

Thank you,

Nathan Bryant
