

PUBLIC MEETING ANNOUNCEMENT

Title: Follow-up Meeting with SMR (Holtec) to Discuss the SMR-300 I&C Architecture Licensing Topical Report

Date(s) and Time(s): January 15, 2026, 09:00 AM to 11:00 AM ET

Location: Webinar

Category: This is a Partially Closed meeting. Certain portions of this meeting will be closed to the public because the staff has determined that the information (is proprietary in nature, contains safeguards information, etc.).

Purpose: The purpose of this meeting is for the NRC staff and SMR (Holtec) to discuss the recently submitted SMR-300 Instrumentation and Control Architecture Licensing Topical Report. This discussion would help the NRC staff conduct a more efficient review.

Docket No: 99902049

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
