Subject: White Paper on Strategic Environmental Report Framework

Blue Energy Global Inc. ("Blue Energy") is submitting a white paper that describes its strategic environmental report framework. In addition to technical information, the white paper will present Blue Energy's regulatory approach for submitting an environmental report as part of a future construction permit application. The findings and conclusions of this white paper will serve as the basis for a future environmental report submittal.

Portions of the attached white paper are proprietary, and Blue Energy requests that the proprietary information be withheld from public disclosure in accordance with 10 CFR 2.390. Enclosure 1 provides a non-proprietary version of the white paper, and Enclosure 2 provides a proprietary version of the white paper. A signed affidavit supporting the withholding request is provided in Enclosure 3.

No new commitments are being made to the NRC by this letter.

If you have any questions or need any additional information, please do not hesitate to reach out to me at [cj@blueenergy.co](mailto:cj@blueenergy.co) or 202-651-1366.

Sincerely,

A handwritten signature in blue ink, appearing to read "CJ Fong".

CJ Fong, P.E.

Vice President, Regulatory Affairs
