Hello Steve,

Please see the attached for communication of the triennial update to the University's decommissioning cost estimate. Note that hard copies of the entire package, including information not suitable for public release, are being transmitted by courier. If you have any questions, or if you'd like additional electronic copies of any information contained within the DCE, please don't hesitate to reach out and let me know.

I will send the full versions (with OUO) separately. The encryption password for those files will be

██████████

If you have any questions, please let me know.

Respectfully,

Aaron Wilmot, MS, CHP, PE (nuclear, PA)

Manager, Radiation Protection Office & Radiation Safety Officer
