**Subject:** [External\_Sender] RE: RSCC Wire & Cable - Part 21 Ongoing Evaluation  
**Date:** Monday, January 12, 2026 1:50:41 PM  
**Attachments:** image001.png

---

This email serves to provide NRC with an update to the RSCC Wire & Cable Part 21 evaluations being performed. Additional samples are needed to test so this evaluation can be complete. Customers are notified of the results of testing performed on the returned cable. For testing completed, there have been no issues with the product. We will continue this evaluation until all samples have been provided and we complete our testing.

Best –
