Subject: Clarification on Amendment Request

Discussion-The subjects of discussion are noted below:

**1. Radiation Safety Officer**

- Requested email address on proposed RSO.

**2. Authorized Material and Inventory:**

- Amendment letter requested a decrease in inventory due to reducing their inventory of gauges.
- It was requested to send acknowledgement of receipt and recent leak test of the gauges that were transferred. On the call it was stated that the gauges were sent to Humboldt. The licensee C. Rodriguez-Perez stated that they have the leak tests with the serial numbers and the acknowledgment of receipt readily available to email. They did not have my email address therefore I stated I would send an email in which they can reply to.
