Good Afternoon Miguel Gonzalez Rivera,

This email is to inform you that the review of your request for a new license has been suspended.

The review has been suspended due to the following:

1. Full payment associated with the initial license application has not been received by the NRC. (Note: Fees payments must be made electronically. Questions regarding outstanding fees owed should be directed to the NRC's Accounts Receivable Helpdesk by calling 301-415-7554 or emailing fees.resource@nrc.gov.)
2. Form 531, *Request for Taxpayer Identification Number*, has not been received. Please complete this form (attached) and send it to fees.resource@nrc.gov.

Once the above two items have been submitted the NRC will resume work on your application.

If you have any questions regarding this notice, please reach out.

Thank you for your attention to this matter.

Best Regards,

Candace Krout
