Dear Mr. Fuhrman:

This letter concerns the subject request to amend your U.S. Nuclear Regulatory Commission (NRC) License No. 24-08960-02. You had requested to add Jeevin Shahi, M.D., as an Authorized User.

Based on the review, our office determined that additional information was needed from you to continue review of your amendment request. Accordingly, I prepared and sent you a written request for additional information via letter dated December 29, 2025. To date, that information has not been provided to our office. Further, in your emails dated February 4, 2026 and February 5, 2026, you requested the withdrawal of your amendment request. Therefore, the referenced request has been administratively closed. Note that if you resubmit the request at a later date, you may refer to Control No. 654647 for the documentation you have already submitted.
