SUBJECT:   PRECISE RADIATION ONCOLOGY CENTER, ACCEPTANCE OF  
              NOTIFICATION OF PATIENT TREATMENT, MAIL CONTROL NO. 655279

Dear Natalia Santos:

This is in reference to your letter dated January 21, 2026, notifying the NRC that you have a patient scheduled for Ra-223 Xofigo therapy starting on January 30, 2026. In accordance with License Condition 14.B., your letter is accepted as the required notification. No further correspondence on this matter is required.

As a reminder, in your letter dated July 29, 2025, you committed to conducting refresher training for the appropriate personnel prior to the resumption of clinical treatments involving licensed radioactive materials. Additionally, you committed to providing annual refresher training for all applicable staff, and to maintaining written documentation of such training sessions, which will include names and roles of participants, topics covered, qualification of instructors, and assessment of the success of the training. These documents will be reviewed during a future inspection.

Your cooperation is appreciated.

Sincerely,

Janice Nguyen, Senior Health Physicist
