

PUBLIC MEETING ANNOUNCEMENT

Title: Proposed Rule: Regulatory Framework for Fusion Machines

Date(s) and Time(s): March 25, 2026, 01:00 PM to 03:30 PM ET

Location: Webinar

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this virtual-only meeting is to present the published proposed rule related to developing a regulatory framework under 10 CFR Part 30 for fusion machines, as a result of the ADVANCE Act of 2024 signed into law on July 9, 2024 (Public Law No: 118-67). The NRC is not actively soliciting comments towards regulatory decisions at this meeting. A second, similar public meeting will be held, in-person only, on April 7, 2026, at the Nuclear Regulatory Commission's headquarters in Rockville, MD.

Comments: This is an Information Meeting with a Question and Answer Session.

The NRC provides reasonable accommodation to individuals with disabilities where appropriate. If reasonable accommodation is needed to participate in this meeting, or if a meeting notice, transcript, or other information from this meeting is needed in another format (e.g., Braille, large print), please notify the NRC meeting contact. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.

Because meetings are sometimes canceled or rescheduled as a result of unforeseen circumstances such as severe weather, confirm the meeting schedule by checking the Public Meeting Schedule or communicating with the meeting contact.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
