**Subject:** NRC Staff Audit Closed - Oklo TR "Principal Design Criteria for the Aurora Powerhouse," Rev 0  
**Date:** Monday, March 16, 2026 10:55:00 AM

---

Good morning Andrew,

This email is to confirm that all observations and questions raised during the NRC staff's audit of Oklo topical report "Principal Design Criteria for the Aurora Powerhouse," revision 0, have been resolved and the audit can now be closed.

This email will be made publicly available in ADAMS and referenced in the audit summary report.

Thank you,

**Jacqueline Tulip**
