Jose R. Cumba Quiles, M.D.
P.O. Box 130
Bayamon, PR 00960

SUBJECT: JOSE R. CUMBA QUILES, M.D., CORRECTED COPY OF LICENSE, MAIL CONTROL NO. 631781

Dear Dr. Cumba Quiles:

Enclosed is the Corrected Copy of Amendment No. 9 for License No. 52-19670-01. During a recent license review, an error was identified. Accordingly, Condition No. 12.C. has been changed to reflect that David M. Rhoe is not an authorized medical physicist (AMP) but is authorized to calculate the activity of the licensee's strontium-90 source that is used to determine the treatment times for ophthalmic treatments. This language was previously reflected on the license in Amendment Nos. 7 and 8. If Mr. Rhoe would like to be formally recognized as an AMP, please provide his training and experience on an NRC Form 313A (AMP) found here: <https://www.nrc.gov/docs/ML1216/ML12164A727.pdf>.

We apologize for any inconvenience this error may have caused.

Sincerely,

Monica Ford, Chief
Medical and Licensing Assistance Branch
Division of Radiological Safety and Security
Region I
