Subject: Request for Supplemental Information related to Revalidation Review of French Competent Authority Certificate No. F/381/AF-96
Date: Tuesday, March 24, 2026 4:41:00 PM
Attachments: Request for Supplemental Information for TN-XI French Package.pdf
Enclosure 1 - TNF-XI Materials RSI draft Rev 1.pdf

Dear Alex,

Attached please find the NRC staff's Request for Supplemental Information (RSI) related to the U.S. Nuclear Regulatory Commission (NRC)'s revalidation recommendation for the French Competent Authority Certificate No. F/381/AF-96, Model No. TNF-XI Packaging (Reference: USA/0653/AF).

The NRC staff is willing to setup a clarification call as needed.

Kind regards,

Haimanot Yilma
