PUBLIC MEETING ANNOUNCEMENT

Title: ASME Code Case N-940: Alternate Rules for Non-Destructive Examination and Testing of ASME Section III Nuclear Items

Date(s) and Time(s): May 07, 2026, 09:00 AM to 12:00 PM ET

Location: NRC One White Flint North, O1F24
11555 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This meeting is to discuss the NRC staff's conditions on the endorsement of ASME Code Case N-940 in RG 1.87, Rev. 3. N-940 provides alternate rules for non-destructive examination and testing for the construction of ASME Section III nuclear items commensurate with an item's contribution to safety or risk.

This meeting will be a hybrid meeting and use Microsoft Teams. Please RSVP to the meeting contact at Matthew.Hiser@nrc.gov by April 27, 2026, if you plan to attend the meeting in person.

Contact: Matthew Hiser

Docket No: 99902028

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
