Comments: Section 5 of EO 14300 directed the NRC to undertake a review and wholesale revision of its regulations and guidance documents, and issue notices of proposed rulemaking effecting this revision within 9 months [February 23, 2026] and issue final rules and guidance to conclude this revision process within 18 months [November 23, 2026]. This meeting is one of several public meetings being conducted by the NRC related to this effort.

Planned rulemaking activities, including priority and schedule, can be found at www.nrc.gov/reading-rm/doc-collections/rulemaking-ruleforum/active/ruleindex.html.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
