April 15, 2026

Title:	Regulatory Conference with Dominion Energy, Inc. (Dominion) – Surry Power Station
Date(s) and Time(s):	May 06, 2026, 10:00 AM to 12:00 PM ET
Location:	NRC Region II Office, Marquis One Tower, Conference Room 1486 245 Peachtree Center Ave., NE Atlanta, GA
Category:	This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.
Purpose:	The purpose of this regulatory conference is to discuss the safety significance of a preliminary White finding and associated apparent violation of NRC requirements involving the licensee's failure to provide written procedures with appropriate instructions necessary to perform turbine driven auxiliary feedwater pump maintenance activities. The preliminary White finding and apparent violation are discussed in NRC Inspection Report 05000280/2026090 and 05000281/2026090, dated March 24, 2026 (NRC's Agency wide Documents Access and Management System [ADAMS] Accession No. ML26075C435 (EAF-RII-2026-0006)).

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
