

CHAIRMAN

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

May 19, 2026

The Honorable Doug Burgum
Secretary of the Interior
U.S. Department of the Interior
1849 C Street NW
Washington, DC 20240

Dear Secretary Burgum:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am providing the agency's status report as required by Section 5(c) of the January 20, 2025, Executive Order (EO) 14156, entitled "Declaring a National Energy Emergency." On March 13, 2025, in accordance with Section 5(a) of the EO, the NRC submitted our initial summary report listing planned or potential actions to facilitate the Nation's energy supply that may be subject to the Endangered Species Act regulation on consultations in emergencies. Section 5(c) further directs the heads of agencies to then submit a status report at least every 30 days for the duration of the national emergency following the submission of the initial summary report described in subsection (a)(ii).

The NRC's status report is enclosed. The changes since the NRC's last status report are as follows:

1. The following project has been removed from this report because the Endangered Species Act Section 7 consultation has been completed.
 - Crow Butte (Crow Butte Resources, Inc.), In-Situ Uranium Recovery Facility License Renewal.
2. The project name for "Project Matador (Fermi America), The President Donald J. Trump Advanced Energy and Intelligence Campus, Units 1-4, Combined License Application" has been changed to "Project Matador Advanced Energy and Intelligence Campus AP1000 Units 1-4" at the request of Fermi America, Agencywide Documents Access and Management System Accession No. [ML26055A301](#).

Per the direction in Section 5(c) of EO 14156, the NRC will continue to provide these status reports at least every 30 days for the duration of the declared national energy emergency. Please feel free to contact me or have your staff contact Michael King, Executive Director for Operations, via email at Michael.King2@nrc.gov or via telephone at 301-415-1700, if you have any questions or need additional information.

Sincerely,

/RA/

Ho K. Nieh
