Division of Radiological Safety and Security

License Amendment Request / Docket 03028646 / License 47-23079-01

On behalf of Klug Bros., Inc., I am requesting an amendment to our license changing our Radiation Safety Officer (RSO) from Karen Saffell to Julie C. Klug. Karen Saffell is no longer with our company as of 2023.

This change will have no impact on our continued commitment to the safe practices required by the Nuclear Regulatory Commission. I will attach my RSO certificate and welcome any further questions or concerns regarding this change. As the president of Klug Bros., Inc. I ensure my utmost commitment to the responsibilities, requirements and duties of the Radiation Safety Officer (RSO.)

Mr. Ayala, it was a pleasure meeting you today and I look forward to any further correspondence. If you should require any further information regarding the above matter, please contact me at your convenience. Thank you again for your help in making this change to our license.

Best regards,

Julie C. Klug

President
