## 10 CFR 2.390 AFFIDAVIT

I, Q. Shane Lies, Executive Vice President, Nuclear Operations, American Electric Power Company, do hereby affirm and state:

1. I am authorized to execute this affidavit on behalf of American Electric Power Company.
2. I request that information identified as proprietary in the letter AEP-ND-NRC-2026-002 be withheld from public disclosure pursuant to 10 CFR 2.390.
3. This document constitutes proprietary commercial information that should be held in confidence by the NRC pursuant to the policy reflected in 10 CFR §§ 2.390(a)(4), because:
  - i. This information is and has been held in confidence by American Electric Power Company.
  - ii. This information is of a type that is customarily held in confidence by the American Electric Power Company, and there is a rational basis for doing so because the information contains sensitive business information.
  - iii. This information is being transmitted to the U.S. Nuclear Regulatory Commission (NRC) voluntarily and in confidence.
  - iv. This information is not available in public sources and could not be gathered readily from other publicly available information.
  - v. Public disclosure of this information would create substantial harm to the competitive position of the American Electric Power Company by disclosing this information.
4. Accordingly, the American Electric Power Company requests that the designated documents be withheld from public disclosure pursuant to the policy reflected in 10 CFR §§ 2.390(a)(4).

I declare under penalty of perjury that the foregoing is true and correct.

Executed on April 29, 2026.
