

Dear Sir or Madam,

On behalf of Beckley Cardiology, we are writing to request approval to amend our current Nuclear Regulatory Commission (NRC) license to include an additional facility location.

Beckley Cardiology is in the process of constructing a new clinic, and we plan to relocate operations to this new site upon completion. Our current licensed address is

1832 Harper Rd.
Beckley, WV 25801

We are requesting authorization to add the following new address to our NRC license:

155 Mayor R.T. Wills Drive
Beckley, WV 25801

This request is being submitted in advance to ensure compliance to operations during the transition period.

For your review, we have attached a diagram of the floor plan for the new facility, along with detailed list of the equipment that will be utilized at the new location.

Please let us know if any additional information or documentation is required to process this request. We appreciate your time and consideration.

Sincerely,

Radiation Safety Officer
