Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this public meeting between NRC and Dominion Energy is for an introductory presentation on the path that Dominion plans to take for the 20 year renewal of the current early site permit, approved November 27, 2007.
