

PUBLIC MEETING ANNOUNCEMENT

Title: Preapplication Meeting with Dominion Regarding Millstone Power Station Unit No. 3.

Dates(s) and Time(s): May 20, 2026, 09:30 AM to 11:30 AM

Location: Teleconference
Bridge Number: 301-576-2978
Conference ID: 233 378 486 300 503
Passcode: SD7xm3Mv

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is for Dominion Energy Nuclear Connecticut, Inc. (Dominion) to present to the Nuclear Regulatory Commission (NRC) staff, their planned submission of proposed changes to support the transition to 24-month fuel cycles at Millstone Power Station Unit No. 3. The proposed changes would seek to revise technical specifications regarding spent fuel pool criticality, dose consequence analyses, and fuel performance methods.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
