**Date:** Thursday, May 7, 2026 09:30:05  
**Attachments:** [image001.png](#)

---

Our evaluation and verification testing is still ongoing. We are awaiting samples from the remaining customers to conclude this activity. To date, there has been no issues with the product we've received and tested. Test results have been forwarded to customers who have provided samples. We will continue this evaluation until all samples have been sent to our facility for testing and the results forwarded to each customer.

Best –
