Re: License No: 24-11858-01  
SSM Health St Clare Hospital-Fenton  
1015 Bowles Avenue  
Fenton, Mo 63026  
Memo To: Wallace Fuhrman, BA, RSO, CNMT, RT(R)(N)

### Item 8

SSM St Clare Hospital-Fenton has developed and will implement and maintain written procedures for a program for training required under 10 CFR 19.12 for each group of workers, including (i) topics covered, (ii) qualifications of the instructors, (iii) method of training, (iv) method for assessing the success of the training, (v) initial training, and (vi) annual training.

1) **DOT Hazardous Materials Training for Nuclear Medicine Personnel (Landauer) (NCL 2025) every three years.**

2) **General Radiation Safety (Landauer) (CLN 2026)**

This module is intended for those that work directly with or around radiation generating devices or radioactive materials to provide radiation safety information. All employees working in radiation restricted areas will be tested every other year with all Medical Physicists, working in Radiation Oncology, taking General Radiation Safety annually.

---

Hi, Tammy:

Could you please make sure that this additional information letter is added to ADAMS?

It came as a Microsoft Word file but I printed it to an Adobe pdf, in case that is needed.

Thank you! -

*Sara*

**Subject:** Additional Information Request re SSM Health St. Clare Hospital-Fenton renewal application, NRC License No. 24-11858-01

Good afternoon, Wally:

The NRC has received and reviewed SSM Health St. Clare Hospital-Fenton's (your) April 29, 2025 request for license renewal, as received via e-mail on June 3, 2025. That request is stored in the NRC's Agencywide Document and Management System (ADAMS) at Accession No. ML25154A459.

Upon review, we have determined that the information submitted omitted a response for Item 8, "Training for Individuals Working in Restricted Areas."

...

Please provide additional information via signed and dated letter within 14 days (on or before May 26, 2026) to me via email, at [sara.forster@nrc.gov](mailto:sara.forster@nrc.gov). If you need additional time, or have any questions regarding the request, please do not hesitate to call or email me.

Thank you in advance for your cooperation.

Sincerely yours,

*Sara*
