Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This meeting will be a hybrid meeting and use Microsoft Teams. The purpose of this technical exchange is to facilitate an exchange of technical information about advanced reactor deployment, design codes, materials management, and the licensing processes.
