Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is to discuss key revisions to the U.S. Nuclear Regulatory Commission (NRC) security baseline inspection program. The staff will discuss Inspection Procedure 71130.15, "Security Operations," Inspection Procedure 71130.16, "Security Performance," and Inspection Procedure 71130.17, "Force-on-Force" that will be effective July 1, 2026. The staff will discuss the structure of the inspection procedures, sample selection, and expectations for inspector implementation. Participants will be provided the opportunity to ask questions and seek clarification.
