Division of Nuclear Materials Safety
U.S. Nuclear Regulatory Commission, Region 1
475 Allendale Road, Suite 102
King of Prussia, PA 19406-1415

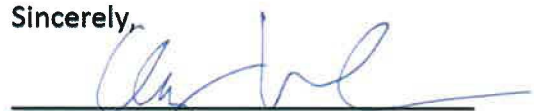

Subject: License Amendment Request
West Virginia University
NRC License No. 47-23035-03, Docket # 030-38182

Licensing Assistance Team:

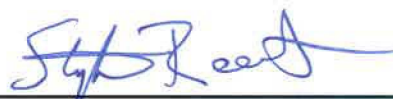

We request to amend the West Virginia University Cyclotron License No., 47-23035-03, to remove John Armbruster as an individual authorized to handle licensed material currently listed in item 11 of the license conditions.

If any additional information is needed, please contact Stephen Root at 304-293-3413 or sroot@hsc.wvu.edu.

Sincerely,

Clay Marsh, MD
Chancellor and Executive Dean

Stephen Root, M.S.
Director and Radiation Safety Officer
