Good afternoon, Mr. Barker,

This email is in response to the renewal application dated February 11, 2026. Upon reviewing your renewal request, the following areas were identified and require additional information:

1. Please provide the following statement regarding Yttrium-90 Microsphere Brachytherapy Sources and Devices TheraSphere and SIR-Spheres Licensing Guidance, April 20, 2021, Revision 10.2 Section 5.4:

“We shall commit to provide training in the licensee’s procedures to all individuals involved in Y-90 microsphere use, commensurate with the individual’s duties to be performed. This training must be provided to all individuals preparing, measuring, performing dosimetry calculations, or administering Y-90 microspheres.”

Please submit your signed response letter by June 9, 2026. If you need more time or have any questions, please don’t hesitate to contact me. As you will not receive a hard copy of this request for additional information, please confirm that you have received this email.

Thank you,
