RE: Additional Info for CN656125

Mr. Parker,

In response to your request for additional information, the items 1-3 are accurate. It was intended that both Tracy Price, MD and Christopher Watson, MD would act as authorized users for Ac-225.

If you should have any questions, please contact Chris Barriger at (614) 361-3205 or CBarriger@onephysics.com. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Chris Barriger".

Mr. Parker,

Apologies for the confusion, please find the letter you requested attached. I made the assumption one of us could sign it, let me know if I am mistaken.

Subject: Question re: NRC amendment request

Mr. Barriger/Mr. Stoneberg,

I am the reviewer working on the amendment request for Urology of Indiana. I have 3 letters that request the following

- 1) Ltr dtd 02/16/26 requests to add Ac-225 for medical use;
- 2) Ltr dtd 03/05/26 requests to add Christopher Watson, MD as an Authorized User for the Ra-223 & Lu-177 already listed on the license; and
- 3) Ltr dtd 03/12/26 requests to name you as RSO and C. Kelly Stoneberg as the ARSO.

I have most of what I need, but I do have a question. There was no indication of who would be the Authorized User(s) of the Ac-225. Is it Tracy Price, MD (AU currently listed for Ra-223 & Lu-177) and/or Dr. Watson? Please clarify.

A quick **signed** letter attached to an email back to me would suffice. Please mark it as “**Additional Info for CN656125**”.

Please let me know if you have any questions.

Thanks.

Bryan
