

PUBLIC MEETING ANNOUNCEMENT

Title: Public Outreach Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2025 Annual Assessment of Safety Performance at River Bend Station

Dates(s) and Time(s): June 25, 2026, 02:00 PM to 04:00 PM

Location: St. Francisville Farmers Market
9961 Wilcox St.
St. Francisville, LA

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This is an informal outreach meeting to discuss the River Bend Station safety performance for calendar year 2025, as described in the attached 2025 annual assessment letter. The NRC staff will be available to respond to questions from the public about the safety performance of the station, and the role of the NRC and the resident inspectors in ensuring safe plant operations.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
