**RE: Amendment to NRC License No. 21-15166-01
Add Authorized User**

Dear Sir/Madam:

We would like to amend our current NRC license to add an authorized user physician.

Please add Nenad Serafimovski, M.D. as authorized user physicians for 35.100 and 35.200 uses. Dr. Serafimovski is already an authorized user physician on NRC license # 21-32784-01 for 10 CFR 200 uses, so he should automatically be approved for 10 CFR 100 uses.

If you have any questions or require additional information, please contact our physics consultant and Radiation Safety Officer, Cari Dzanbazoff at (734) 662-3197 or e-mail cdzanbazoff@mpcphysics.com.

Sincerely,

Vijay Kudesia, M.D.

Subject: [External_Sender] Addition of New Authorized User

To Whom It May Concern,

Please accept this letter as a formal request to add a new Authorized User to our account. The necessary documentation is attached for your review.

Thank you in advance for your assistance.

Sincerely,

KJ Hendrickson
