Electronic Section 106 Documentation Submittal System (e106) Form
MS Word format

Send to: e106@achp.gov

Please review the instructions at www.achp.gov/e106-email-form prior to completing this form. Questions about whether to use the e106 form should be directed to the assigned ACHP staff member in the Office of Federal Agency Programs.

I. Basic information

1. Purpose of notification. Indicate whether this documentation is to:

- ☒ Notify the ACHP of a finding that an undertaking may adversely affect historic properties
- ☐ Invite the ACHP to participate in a Section 106 consultation
- ☐ Propose to develop a project Programmatic Agreement (project PA) for complex or multiple undertakings in accordance with 36 C.F.R. 800.14(b)(3)
- ☒ Supply additional documentation for a case already entered into the ACHP record system
- ☐ File an executed MOA or PA with the ACHP in accordance with 800.6(b)(iv) (where the ACHP did not participate in consultation)
- ☐ Other, please describe

[Click here to enter text.](#)

2. ACHP Project Number (If the ACHP was previously notified of the undertaking and an ACHP Project Number has been provided, enter project number here and skip to Item 7 below): 022325

3. Name of federal agency (If multiple agencies, list them all and indicate whether one is the lead agency):

4. Name of undertaking/project (Include project/permit/application number if applicable):

5. Location of undertaking (Indicate city(s), county(s), state(s), land ownership, and whether it would occur on or affect historic properties located on tribal lands):

6. Name and title of federal agency official and contact person for this undertaking, including email address and phone number

II. Information on the Undertaking*

7. Describe the undertaking and nature of federal involvement (if multiple federal agencies are involved, specify involvement of each): The NRC is a licensing agency, NorthStar is the license holder or licensee. Undertaking being considered is NRC's potential approval of a license amendment request that would authorize demolition.

8. Describe the Area of Potential Effects (APE): The APE includes the approximately 1,600 acre Vallecitos Nuclear Center.

9. Describe steps taken to identify historic properties: There have been surveys completed in 2023 and 2025 by SEARCH, including a historical architecture survey.

10. Describe the historic property (or properties) and any National Historic Landmarks within the APE (or attach documentation or provide specific link to this information): Information and links available within included consultation letter.

11. Describe the undertaking's effects on historic properties: Both structures will be demolished as part of the decommissioning process and therefore there will be adverse effects.

12. Explain how this undertaking would adversely affect historic properties (include information on any conditions or future actions known to date to avoid, minimize, or mitigate adverse effects): The structures will be completely removed from the site. A future action to resolve adverse effects would be development of an MOA.

13. Provide copies or summaries of the views provided to date by any consulting parties, Indian tribes or Native Hawai'ian organizations, or the public, including any correspondence from the SHPO and/or THPO. All links provided within enclosed consultation letter.

III. Additional Information

14. Please indicate the status of any consultation that has occurred to date, including whether there are any unresolved concerns or issues the ACHP should know about in deciding whether to participate in consultation. Providing a list of consulting parties, including email addresses and phone numbers if known, can facilitate the ACHP's review response.

A description of all consultations, including a response to all CA SHPO's questions, is included within the enclosed consultation letter.

In compliance with 36 CFR 800.6(a)(1), the NRC staff herein notifies the Advisory Council on Historic Preservation of the finding of adverse effect; we look forward to receiving your response within 15 days.

15 Does your agency have a website or website link where the interested public can find out about this project and/or provide comments? Please provide relevant links:
