

NRC-Sponsored Training Schedule for Fiscal Year 2027 (Oct 1- Sept 30)

**UPDATED: 7/7/2026**

| Course #   | Title                                                                  | Start Date | End Date | Location        | Application Due Date |
|------------|------------------------------------------------------------------------|------------|----------|-----------------|----------------------|
| H-122 Labs | Fundamental Health Physics Labs                                        | 10/05/26   | 10/09/26 | Chattanooga, TN | 08/07/26             |
| H305       | Industrial Radiography                                                 | 10/19/26   | 10/22/26 | Kenner, LA      | 08/21/26             |
| G-205      | Root Cause/Incident Investigation Workshop                             | 11/16/26   | 11/20/26 | Chattanooga, TN | 09/18/26             |
| H-314      | Well Logging                                                           | 11/16/26   | 11/20/26 | Houston, TN     | 09/18/26             |
| H-201      | Advanced Health Physics                                                | 12/07/26   | 12/11/26 | Chattanooga, TN | 10/09/26             |
|            |                                                                        |            |          |                 |                      |
| H-122 Labs | Fundamental Health Physics Labs                                        | 01/11/27   | 01/15/27 | Chattanooga, TN | 11/13/26             |
| G-205      | Root Cause/Incident Investigation Workshop                             | 02/08/27   | 02/12/27 | Virtual         | 12/11/26             |
| H-112      | Facility Decommissioning Training Course                               | 02/23/27   | 02/26/27 | Chattanooga, TN | 12/25/26             |
| H-314      | Well Logging                                                           | 03/08/27   | 03/12/27 | Houston, TN     | 01/08/27             |
| G-109      | Licensing Practices and Procedures                                     | 03/16/27   | 03/18/27 | Chattanooga, TN | 01/15/27             |
| H305       | Industrial Radiography                                                 | 03/29/27   | 04/01/27 | Kenner, LA      | 01/29/27             |
|            |                                                                        |            |          |                 |                      |
| G-108      | Inspection Procedures                                                  | 04/05/27   | 04/09/27 | Chattanooga, TN | 02/05/27             |
| H-315      | Irradiator Technology                                                  | 04/13/27   | 04/16/27 | Arlington, TN   | 02/12/27             |
| H-500      | Visual Sample Plan                                                     | 04/20/27   | 04/23/27 | Virtual         | 02/19/27             |
| G-205      | Root Cause/Incident Investigation Workshop                             | 05/10/27   | 05/14/27 | Chattanooga, TN | 03/12/27             |
| H-130 Labs | Environmental Monitoring and Air Sampling for Radioactivity Lab Course | 05/11/27   | 05/14/27 | Oak Ridge, TN   | 03/12/27             |
| S-201      | Materials Control, Security Systems & Principles                       | 05/17/27   | 05/21/27 | Albuquerque, NM | 03/19/27             |
| H-201      | Advanced Health Physics                                                | 05/24/27   | 05/28/27 | Chattanooga, TN | 03/26/26             |
| H-122 Labs | Fundamental Health Physics Labs                                        | 06/07/27   | 06/11/27 | Chattanooga, TN | 04/09/27             |
|            |                                                                        |            |          |                 |                      |
| G-205      | Root Cause/Incident Investigation Workshop                             | 08/09/27   | 08/13/27 | Virtual         | 06/11/27             |
| S-201      | Materials Control, Security Systems & Principles                       | 08/16/27   | 08/20/27 | Albuquerque, NM | 06/18/27             |
| G-108      | Inspection Procedures                                                  | 08/23/27   | 08/27/27 | Chattanooga, TN | 06/25/27             |
| S-201      | Materials Control, Security Systems & Principles                       | 08/23/27   | 08/27/27 | Albuquerque, NM | 06/25/27             |
| H-408      | RESRAD Overview                                                        | 08/30/27   | 09/03/27 | Virtual         | 07/02/27             |
| H-315      | Irradiator Technology                                                  | 09/14/27   | 09/17/27 | Arlington, TN   | 07/16/27             |
| H-130 Labs | Environmental Monitoring and Air Sampling for Radioactivity Lab Course | 09/21/27   | 09/24/27 | Oak Ridge, TN   | 07/23/27             |
| H-413      | MILDOS-Area Training Workshop                                          | 09/21/27   | 09/23/27 | Virtual         | 07/23/27             |

NRC-Sponsored Training Schedule for Fiscal Year 2027 (Oct 1- Sept 30)

**UPDATED: 7/7/2026**

|        |                                                                             |          |          |                 |          |
|--------|-----------------------------------------------------------------------------|----------|----------|-----------------|----------|
| G-109  | Licensing Practices and Procedures                                          | 09/28/27 | 09/30/27 | Chattanooga, TN | 07/30/27 |
|        |                                                                             |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
|        | <b>SELF-STUDY COURSES</b>                                                   |          |          |                 |          |
| H-115S | Characterization and Planning for Decommissioning                           |          |          |                 |          |
| H-117S | Introductory Health Physics Self-Study Course                               |          |          |                 |          |
| H-120S | MARSAME Self-Study Course                                                   |          |          |                 |          |
| H-121S | MARSSIM Self-Study Course                                                   |          |          |                 |          |
| H-122S | Fundamental Health Physics Self-Study Course                                |          |          |                 |          |
| H-124S | Implementing Subsurface Decommissioning Guidance in DUWP-ISG-02             |          |          |                 |          |
| H-130S | Environmental Monitoring & Air Sampling for Radioactivity Self-Study Course |          |          |                 |          |
| H-151S | Fusion Fundamentals                                                         |          |          |                 |          |
| H-152S | Fusion Energy: Viability, Systems, and Safety                               |          |          |                 |          |
| H-202S | Radioactive Waste Management                                                |          |          |                 |          |
| H-301S | Health Physics Statistics Self-Study Course                                 |          |          |                 |          |
| H-308S | Transportation of Radioactive Materials Self-Study Course                   |          |          |                 |          |
| H-311S | Respiratory Protection                                                      |          |          |                 |          |
| H-312S | Internal Dosimetry Self-Study Course                                        |          |          |                 |          |
| H-317S | Medical Uses of Radiation Self-Study Course                                 |          |          |                 |          |
| MIT    | MIT Fusion Seminar                                                          |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
|        |                                                                             |          |          |                 |          |
