Ref: Docket No. 030-19631
Renewal of License No. 15-19986-01E

To whom it may concern:

Enclosed is the application for modification.

As part of the Honeywell Aerospace company separation, the company name changed from Honeywell International Inc. to Honeywell Aerospace US LLC, effective April 1, 2026. The permit needs to be amended to reflect this administrative name change.

This change is administrative in nature only. There are no changes to operational control, facility location, permitted equipment, or regulated activities because of this name change. All permit conditions, compliance obligations, monitoring, recordkeeping, and reporting requirements have continued without interruption under the new company name.

If you have any additional questions, please contact me at (913) 927-3949 or email at: paul.kochan@honeywellaerospace.com.

Sincerely,

Paul Kochan,
Lead HSE Engineer
Radiation Safety Officer
