

PUBLIC MEETING ANNOUNCEMENT

Title: Path Forward for the Potential Endorsement of ASME Code Case N-883-2 and Issuance of Associated Interim Staff Guidance

Date(s) and Time(s): July 23, 2026, 10:00 AM to 12:00 PM

Location: Webinar

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this public meeting is for NRC staff to present and discuss the proposed regulatory approach regarding ASME Code Case N 883-2. Staff will outline their plan to issue an Advance Notice of Proposed Rulemaking (ANPR) to solicit public input. The ANPR will provide an opportunity for stakeholders to share feedback on the draft Interim Staff Guidance (ISG), which addresses the acceptance and use of safety-related components fabricated before the designation of an Owner.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable

accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
