I did find one small error in my name—I think it still has Nathan's middle name "James" in there. If middle name is needed, "Ray" is mine. Thank you!

Dr. Grier:

Attached is Amd. No. 20 to your U.S. Nuclear Regulatory Commission (NRC) Source Material License # SUD-296, along with an accompanying cover letter dated July 16, 2026. The documents are secured within a Security Envelope. I will forward you the open password separately.

As you will not receive a hardcopy of the license amendment and cover letter, please confirm that you have received this e-mail and were able to open the attached files
