Dear Jacob Littlefield:

We have reviewed your letter received June 5, 2026 with an amendment request for U.S. Nuclear Regulatory Commission (NRC) License No. 13-10455-01 for U.S. Steel. Your letter is available in the NRC's Agencywide Documents Access and Management System (ADAMS), Accession No. ML26156A075, accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.

Before we can take further action, additional information is required.

In a signed and dated letter, please provide the following information by July 10, 2026:

1. Provide a corporate organization chart reflecting both the pre-transaction and post-transaction structure.
2. Describe the transaction in greater detail, including the purpose, scope, and any relevant timelines.
3. Describe any planned organizational changes resulting from the transaction, including but not limited to transfers of stock or assets, mergers, revisions to the Board of Directors, or other structural modifications. Provide the new licensee's name, mailing address, and complete contact information (including phone numbers). Clearly indicate if the amendment request is due solely to a name change.
4. Provide a roadmap outlining the long-term goals associated with this corporate merger, a. for example, whether the merger is part of a broader plan to consolidate entities in preparation for an eventual sale.

To continue review of your application, we request that you submit your response to this letter within **15** calendar days from the date of this letter. In your response, please refer to the license, docket, and control number specified below. We will assume that you do not wish to further pursue this licensing action if we do not receive a reply within the specified timeframe noted above.

If you have questions, require additional time to respond, or require clarification on any of the information stated above, we encourage you to contact Gianna Porro at 630-829-9838 and/or by email at gianna.porro@nrc.gov.

Dear Sir or Madam,

This letter is in response to the NRC's Request for Additional Information, dated June 25th, 2026, regarding the Licensee's requested amendment to Radioactive Materials License No. 13-10455-01. The original amendment request was submitted by letter dated May 18th, 2026. Please see the Licensee's response to the following questions:

1. A corporate organization chart reflecting both the pre-transaction and post-transaction structure has been included in this information packet.
2. The purpose of the merger was to simplify the ownership structure of Saudi Basic Industries Corporation's ("SABIC") US operations. In terms of scope, the merger was specifically focused on merging SABIC Innovative Plastics Mt. Vernon US LLC into SABIC Innovative Plastics US LLC, which owned 100% of the membership interests of SABIC Innovative Plastics Mt. Vernon US LLC prior to the merger's occurrence. Saudi Basic Industries Corporation is the ultimate parent company of SABIC Innovative Plastics US LLC. The merger of SABIC Innovative Plastics Mt. Vernon US LLC into SABIC Innovative Plastics US LLC was made effective as of July 31, 2025, at 11:59pm EST.
3. SABIC Innovative Plastics Mt. Vernon US LLC was merged into SABIC Innovative Plastics US LLC; the surviving name of the company continues to be SABIC Innovative Plastics US LLC. The mailing address and contact information remain unchanged. The outstanding limited liability company interests in SABIC Innovative Plastics Mt. Vernon, LLC, all of which were held by SABIC Innovative Plastics US LLC, were duly cancelled by operation of the Merger Agreement between the two entities, entered into on August 1, 2025.

4. The purpose of the merger was to simplify the ownership structure of Saudi Basic Industries Corporation's US operations.

If you have any questions, please contact Jacob Littlefield at office:(812) 833-1564, mobile:(502) 939-2215, or by email: Jacob.Littlefield@SABIC.com.

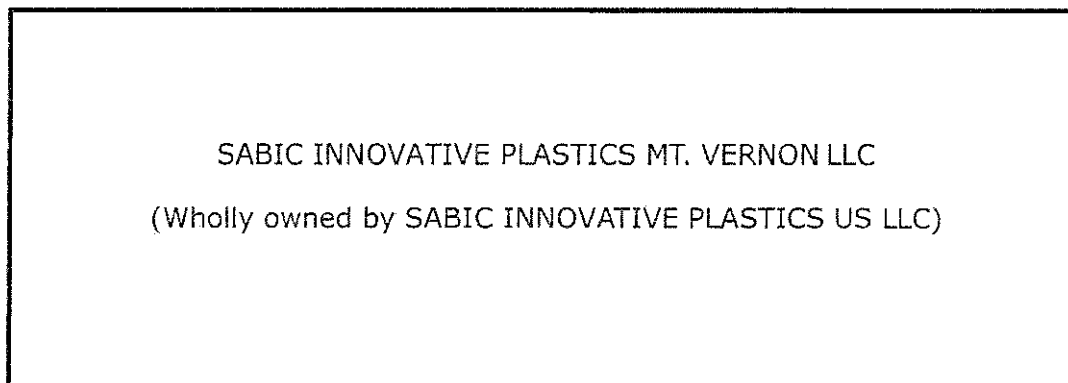

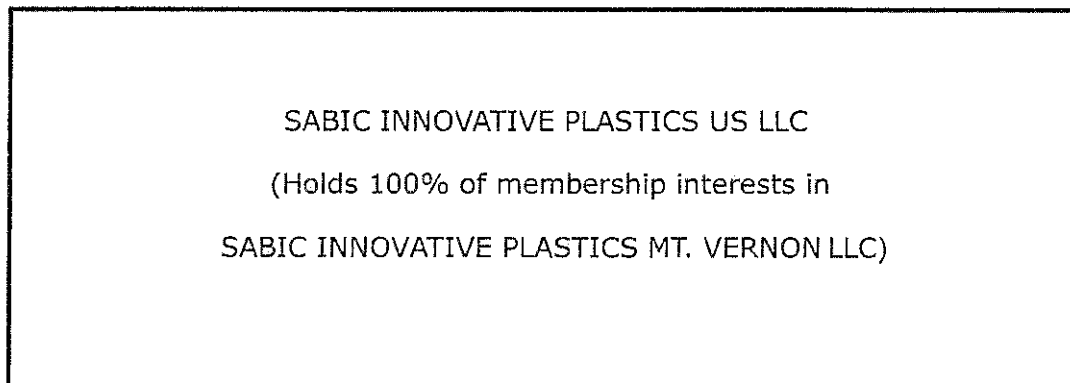

Sincerely,
