

ORANO ENRICHMENT USA, LLC AFFIDAVIT PURSUANT TO 10 CFR 2.390

I, Peter Vescovi, being duly sworn, hereby state as follows:

1. I am the Manager, Environmental, Safety, Health, and Licensing for Orano Enrichment USA LLC, and I have been delegated the function of reviewing the information sought to be withheld from public disclosure in connection with NRC submittals.
2. I am familiar with the criteria set forth in 10 CFR 2.390 and the types of information the NRC protects from public disclosure.
3. The information sought to be withheld is contained in the following documents and marked accordingly.
 - a. Portions of the enclosed License Application Chapters 1 (Enclosure 6) contain security-related information describing facility safety controls, accident sequences, Items Relied on for Safety (IROFS), physical protection measures, and nuclear material control and accounting (MC&A) systems. Disclosure of this information could reasonably be expected to compromise the security or safe operation of the facility or endanger the life or physical safety of individuals. Accordingly, portions of this document have been withheld from public disclosure under 10 CFR 2.390(d)(1).
 - b. The enclosed Integrated Safety Analysis (ISA) Summary (Enclosure 8 & Enclosure 9) contains security-related information describing accident sequences, potential vulnerabilities, Items Relied on for Safety (IROFS), and facility-specific safety controls whose disclosure could reasonably be expected to compromise the security or safe operation of the facility.
4. Accordingly, these documents are exempt in their entirety from public disclosure under 10 CFR 2.390(d)(1).
5. I declare under penalty of perjury that the foregoing is true and correct.
