
AFFIDAVIT

1. My name is Megan Moyette. I am Licensing Lead for BlueCore Energy, Inc. I have been specifically delegated the function of reviewing information sought to be withheld from public disclosure and authorized to apply for its withholding on behalf of BlueCore Energy, Inc.
2. I am familiar with the criteria applied by BlueCore Energy to determine whether certain BlueCore Energy information is proprietary. I am familiar with the policies established by BlueCore Energy to ensure the proper application of these criteria.
3. I am familiar with the BlueCore Energy information contained in the document titled "NRC Pre-Application Kickoff Meeting, Nautilus Floating Nuclear Power Plant," dated July 27, 2026, and referred to herein as "Document." Information contained in this Document has been classified by BlueCore Energy as proprietary in accordance with the policies established by BlueCore Energy for the control and protection of proprietary and confidential information.
4. This Document contains information of a proprietary and confidential nature and is of the type customarily held in confidence by BlueCore Energy and not made available to the public. Based on my experience, I am aware that other companies regard information of the kind contained in this Document as proprietary and confidential.
5. This Document has been made available to the U.S. Nuclear Regulatory Commission in confidence with the request that the information contained in this Document be withheld from public disclosure. The request for withholding of proprietary information is made in accordance with 10 CFR 2.390. The information for which withholding from disclosure is requested qualifies under 10 CFR 2.390(a)(4) "Trade secrets and commercial or financial information."
6. The following criteria are customarily applied by BlueCore Energy to determine whether information should be classified as proprietary:

(a) The information reveals details of BlueCore Energy's business plans, financial arrangements, or funding structure, the disclosure of which would provide competitors with insight into the company's commercial strategy and financial position.

(b) Use of the information by a competitor would permit the competitor to gain a commercial advantage through knowledge of BlueCore Energy's capital structure, operational planning horizon, or vendor relationships.

(c) The information includes commercial or financial data concerning the company's funding, projected operational timeline, or business arrangements, the disclosure of which would cause competitive harm to BlueCore Energy.

The information in the Document is considered proprietary for the reasons set forth in paragraphs 6(a), 6(b), and 6(c) above. Specifically, the proprietary portions of the Document contain information regarding BlueCore Energy's private funding, capital structure, and

projected operational runway that, if disclosed, would reveal the company's financial position to competitors and potential counterparties in ongoing and future commercial negotiations.

7. In accordance with BlueCore Energy's policies governing the protection and control of information, proprietary information contained in this Document has been made available, on a limited basis, to others outside BlueCore Energy only as required and under suitable agreement providing for nondisclosure and limited use of the information.
8. BlueCore Energy policy requires that proprietary information be kept in a secured file or area and distributed on a need-to-know basis.
9. The foregoing statements are true and correct to the best of my knowledge, information, and belief.

I declare under penalty of perjury that the foregoing is true and correct.
