Good morning Hiba,

Dr. Nguyen is being added as an authorized user for the materials requested in the original amendment letter. The "Authorized Medical Physicist" line is a typo in the training attestation.

Kind regards,

Hi Lisa,

I apologize for the attention to detail, but I noticed that the training attestation refers to Dr. Nguyen as an Authorized Medical Physicist in the final sentence before Dr. Aryal's signature. To clarify, could you please confirm that Dr. Nguyen is being added as an Authorized User for 35,600 uses, rather than as an AMP? Kindly verify that Dr. Nguyen will be listed as an Authorized User for the requested uses, as opposed to what is stated in the training attestation letter, as we just discussed on the telephone call. Your response to this email will be satisfactory and you will not need to resubmit the letter.

Thank you,

Hiba
