Re: Transmittal Letter to Supplement Pending Renewal of Export License PXB11b.17

Dear Mr. Hall,

QSA Global, Inc. (QSA) is providing the addresses of the ultimate consignees located in countries authorized on license PXB11b.17. Listed below are the end users, their associated address(es) and other relevant details.

Distributors/Resellers and customers are required by QSA Global, Inc. to complete End User Statements certifying that goods will not be re-sold and/or re-exported to, nor used in countries prohibited by U.S. Nuclear Regulatory Commission (USNRC) Regulations, U.S. Export Control Laws or the company Global Trade Restrictions Policy. It is also certified that goods will not be resold/recertified to countries as classified by a restricted destination by the U.S. Nuclear Regulatory Commission without the written approval from QSA Global, Inc.

QSA Regulatory employees review completed End User Statements to ensure the forms have not been altered and are accurate. Then, using the information provided on the End User Statement, licenses and publicly available data, QSA verifies the validity of the end user and their end use for products, and vets the end users against restricted screening tools.
