Hi Adelaide,

Thank you for giving us the opportunity to review and comment on the draft report for the IMPEP review of the NRC Radiation Control Program. We have carefully examined the draft and have included our feedback in the attached document. If you have any questions or need further clarification regarding our comments, please don't hesitate to get in touch. We're happy to discuss any points in more detail as needed.

Looking forward to the responses on the final IMPEP report.

Andrea Kock
Director, Office of Nuclear Material Safety and Safeguards
United States Nuclear Regulatory Commission
