

PUBLIC MEETING ANNOUNCEMENT

Title: Susquehanna Steam Electric Station, Units 1 and 2 - Pre-Submittal Meeting - Proposed License Amendment Request to Revise the Emergency Plan Emergency Action Level Scheme

Date(s) and Time(s): October 07, 2026, 10:30 AM to 11:30 AM

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting is to discuss Susquehanna Nuclear, LLC's (Susquehanna, the licensee) plan to submit a proposed license amendment request to revise the the facility's currently approved Emergency Plan Emergency Action Level (EAL) scheme, which is based on the guidance established in Nuclear Energy Institute (NEI) 99-01, "Development of Emergency Action Levels for Non-Passive Reactors," Revision 6, dated November 2012, to the guidance established in NEI 99-01, Revision 7, dated September 2024.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
