PUBLIC MEETING ANNOUNCEMENT

Title: NRC Public Meeting on Draft Standard ANS 3.5.1: Nuclear Power Plant Simulators for Non Operator Training and Engineering Applications

Date(s) and Time(s):

November 04, 2026, 09:00 AM to 12:00 PM

Location: Hybrid
11555 Rockville Pike O1F23

Rockville MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this public meeting is to facilitate an informational exchange between the NRC and the ANS Working Group 3.5.1 regarding the preliminary draft of ANS 3.5.1. NRC staff will have the opportunity to ask questions and provide high level feedback focused on identifying issues that may affect future NRC endorsement. This meeting will also allow stakeholders to understand the draft's intent, scope, and implications for potential future NRC endorsement of the standard.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
