Subject: [External_Sender] Palisades Nuclear Power plant
Date: Thursday, October 8, 2026 3:50:50 PM

Dear Ms. Doell,

I am writing to express my opposition to the reopening of Palisades Nuclear Power Plant.
Sitting on the shores of Lake MI this is a disaster waiting to happen.
Given Holtec's failures to date and probable future failures the NRC should terminate the restart attempt and require closure and clean up.
I speak for many citizens in MI where I was born and will retire to on a few years.
Thank you!
Sincerely,
Carol Gilbert, OP
