

PUBLIC MEETING ANNOUNCEMENT

Title: RPV Embrittlement and Surveillance for Long-Term Operation

Date(s) and Time(s): November 17, 2026, 09:00 AM to 01:00 PM

Location: NRC One White Flint North
11555 Rockville Pike
Rockville MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: To discuss potential approaches and topics related to managing RPV embrittlement during long-term operation including: Updated or alternative embrittlement trend curves Use of direct fracture toughness Material surveillance program flexibilities Other RPV embrittlement-related technical topics of interest.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
